

To whomsoever it may concern

This is to certify that Career Consulting Evaluations is the company who does all kinds of evaluation for Value Consulting LLC. I would like to highly recommend their services. We have been with them for the last three years and they have been very prompt and professional in rendering their services. They are particularly good at difficult evaluations, and are willing to spend extra time researching them. They treat each client and each case individually. Thanks to this all their evaluations have always been approved by USCIS.
